“ Betty was such a pleasure to know and be around. I loved visiting with her and hearing her stories. One of my fondest memories is when she toured the Hastings College Campus with us as I was going back to school late in life - it was a very special day. I also loved her love for her dogs. She was so very special and will be greatly missed. My thoughts and prayers to her family and friends.

“ We have known Betty for most of the years she lived in Sutton. Judy's brother Tom married Betty's daughter Chris and we always felt part of her family then. Betty was a lot of fun and Judy will always have fond memories of having many dances with her at Amanda & Brandon's wedding. So sorry for your loss. She will be missed!!

“ We are sorry for your loss. It didn't matter where we saw Betty; the grocery store, downtown at any of the business's, etc., you always got a smile and a visit. Some were short and some were longer but always enjoyable.

“ Our sympathy to all of you. Betty was a dear person. She drove the bus when our girls were in school, and she always made all the kids (and parents) feel they were special. Betty and Ray were such good neighbors to Ed's mother and to Margaret and Warren.
(Betty could fold newsletters faster than anyone else, and the faster she talked the faster she folded! Loved her!)

“ I am so sorry for your loss. Betty was an amazing woman. She spoiled us every year with her garden produce. And her beef jerky. It was so addicting. Betty and Ray were always quick to offer any help they could. They are finally reunited again. She will be greatly missed.

“ I worked with Betty at the Geneva Public Schools. I absolutely loved visiting with her! She talked a lot about her family. She made jerky and shared it with my family and my kids will always remember her for that--they loved it. She was a dear lady and my family all thought the world of her. I am so sorry for your loss she was certainly one of a kind and will be dearly missed!!
