“ Lawrence was my mother's first cousin. We live in Tennessee. We stopped and saw him when we were last in Nebraska 2 years ago. We also visited with Sophie at the nursing home. Mama had just talked with him shortly before he passed away, and we had made plans to stop in Sutton, see him, and spend more time with him. We were so sad to discover that he had passed away and that we did not know it. He was a delightful and good man. We will miss him.

“ I enjoyed visiting with Lawrence here at the Sutton Community Home. He was a good friend, and also very kind to his wife, Sophia. I will miss him, but I'm thankful that he is no longer ill, and can be with God.

“ Praises to God for the love of a dear friend, Lawrence. As a teenager, he accepted me for who I was and offered not only his friendship, but wisdom and faith to me and even as an adult, we had Godly conversations. I thanked him many times for caring for my folks, Dutch and Betty Plettner, when their health started limiting them. Sutton will dearly miss this man of God. May God Bless the family Lawrence has.

“ Lawrence was totally dedicated to Sophie all the time she was in the nursing home. I doubt if he missed a day seeing her .
He did so many good deeds for my mother that I will never forget.
May God bless him on the next step of his journey.

“ Lawrence was allot of fun to talk too, there was always so much information he would give to those he spoke too. We delivered his paper for some time and there was not a day that went by that he didn't say "hello how is your day?" and just walk away, he truly was interested in what the person had to say. He will be missed by us. God Bless your family in this time of loss.
