“ I would like to take this time to send my condolences to all of Ivy's family at this time. Ivy was a very special lady, had a real zest for life. I spent a lot of my childhood with them, so many precious memories to hold onto. Know she is in a better place and finally home with the love of her life and other family members. She will be your special angel now looking over her family. Love ya'll and praying for the family to heal through this trying time. Your cousin Cindy Jarzynka Strain
