“ Betty was an amazing woman. She was a true inspiration for teens in the Hastings community. Betty started the teen board for the Imperial Mall. I severed on that board for several years. During that time, Betty believed in our ideas and supported us in whatever direction we chose to take in our careers. She even followed our careers.

A hand written note from her fifteen years ago made my day. She had tracked me down in my new home. Although Betty was known for being an innovatative marketer, to me she will always be a role model for women of any age. She showed us how to make a difference through love, listening, and support.

“ Dear Eastin family,
I was so saddened to hear of the passing of Betty. Jane (Green) let me know. It was so much fun to visit and reminisce with her and some of the family at the UNL Band Extravaganza earlier this fall. As Jane said, she was so much like our mother. Her spirit will live on. With deepest sympathy, Beth Pauley.

“ Dear Clif and family,
I just happened on a Facebook mention of Betty's service today. As you know, Betty and my mom, Doris Pauley, were good friends. Betty and mom were so much alike, servants to their families, churches and communities. It was so fun to see her at the UNL Band Extravaganza this fall. I will always have special memories of Betty and you all from my earliest UCC days. My heart goes out to all of you. She was a special lady. You were lucky to call her wife, mom and grandma.
