“ *Betty was so much fun, while we owned the quilt shop in Hastings we had so much fun with your Mother. She would come in often and want to buy the smallest amount of a piece of fabric so she could make that stupid cathedral window quilt with each window made with a different fabric. We gave her such a hard time and the quilt turned out to be a beauty. Years later she met with some other gals and Mother to paint once a week or more. I know they did more talking than painting.*

*Our sympathy for your lose. Pat and Ellie*

“ I, Lynn, will remember Betty from a time when her, I, and Dale Ridgway went on a bus to the casino's in Iowa. She was the only big winner, (never disclosed how much), and she got a souvenir T-shirt. I also cut and styled her hair at the Salon here in Fairfield. She was fun to be around, and talked about her children often. Our condolences to your families.

“ I really miss Betty at Bingo. She was so much fun playing cards and laughing all of the time. We all were so ornery we were called the "naughty table".  
She was a great lady.  
She was always so proud of her family.  
We will all miss her. I will keep her family in my prayers.
