“ *Betty Plettner was more than a good woman. She was a GREAT woman. I went to D.A.R. meetings with her, ans she tried for a very long time to help me find the ancestry that led to membership. She was always willing and joyful.*

During the growing season, she always brought me vegetables every week from her garden. She grew the BEST beets I have ever eaten ! I buy beets at the store, now, and it causes me to reflect and miss her..and I cry. She raised a wonderful family. They are as good or better than the beets she raised ! Her descendents honor her memory and all of them contribute to the world in MANY ways...but especially their Christian Faith and approach to life. I will always miss her..until I, too, go home. May she rest in Peace ! .

“ *Dear Dutch and family,*

I was so sorry to hear of Bettys' death. Do you remember I was the flower girl at your wedding? I remember it vividly even though it was so many years ago.

My thoughts and prayers are with you.

Love,

Patty

“ Uncle Dutch, Connie, Elden, Jane and Annette:
I shall miss your mom! Though living far away, the visits, phone calls and conversations with your mom are tucked in my heart!
One of my favorite memories of Aunt Betty, is the time spent with her learning how to milk a goat at age 11. She and I laughed and laughed as I attempted to get milk from those udders!! Thank you for sharing her with all the Plettner cousins!
Celebrating her life with joy! Love Nora!

“ Mr. Plettner, Connie, Eldon, Jane and Annette. Our sympathy on the death of Betty. I think of Betty as a very friendly and bright woman, with a lovely smile. My Mother, Betty Sheridan, appreciated the work that Betty did to maintain the DAR. Annette, my children Emily and Fritz think of you with fondness as their piano teacher.
Love,
Beth

“ Uncle Dutch, Connie, Eldon, Jane, and Annette, Ann's and my heart goes out to you. I am thankful for the faith that your whole family had in our Lord. I have fond memories of Aunt Betty. When I was probably only 10 years old, she helped me learn to knit. She could really bake pies. I have really fond memories of the fresh gooseberry pie she served to Ann and I just after we were married, and later when we were home on furlough in Sutton, we spend many evening with Aunt Betty and Uncle Dutch playing cards and eating ice cream and cookies. I know that you are all in His peace!
Love Steve & Ann
