“ I am Kay Livgren Horner, Arnie and Gladys' middle daughter. We lived about a half mile from your Schwindt Grandparents. It was fun to stop and visit there. your Grandmother would give us one of those great big good pickles. My Dad was older than Freddy, but they were good friends and had a lot of fun together. Freddy was kind of an ornery boy, but when he met Bonnie she brought out the good in him. He was smitten. We knew the Lovgren's too. I am 86, so I was a little younger, but Bonnie and Freddy are lifelong friends of our family. Please accept my sympathy. Bonnie has been alone for a long time. Now she can rest. (I lived in Kearney for forty years, but live in a senior residence in Lincoln now. I am happy I saw your Mother's article in the paper this morning. Love, Kay cell: 308-440-4938
