“ I will miss her. She wasn't only my cousin she was my best friend. I could tell her anything and could call her at any time and she would listen to me. I will miss her deeply.

“ When I read online of such a beautiful young person's death, I felt compelled to try to do something to bring some comfort to the family. I know this is a very difficult time for the family. Something that has always given me comfort is a scripture at Revelation 21:4, it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." I sincerely hope this brings you some comfort.

“ Clark , Family & Francis, I am holding you all in Prayers this will be the hardest day to get through, I feel your loss ,as I remember her from a little girl up . Grandma Francis always had cute little stories to tell about what she wanted Grandma to cook , she loved Francis so much, she did funny little things always to make her laugh. I was going to come then my daughter isn't feeling well , I have my grandson staying with me, & a friend delivering something to her house , so need to stick around. Please give Francis & your family a extra hug for me today, as I think the world of her, she is a sweet special friend, we belong to the same church family. I will always think of Casie & spaghetti as Francis always would laugh how she liked it a different way. Casie is a beautiful young lady who will be everyones beautiful Guardian Angel. God Please keep all the family & friends safe traveling , they all need protection & healing Amen.

“ Prayer's going out to all of Casie's family.
She was a wonderful girl. She used to attend school with me at Fillmore Central. I'll never forget the time when we hung out at the street dance in Geneva two summer's ago. I had never laughed so hard. When I got a call saying she passed away, I started at my phone in shock. I couldn't believe it. and I still don't. People leave this world way to early and unfortunately you were one of them. I miss you so much Casie, raise hell up there girl. I love you <3

“ As I was on facebook Friday night, I saw someone put R.I.P Casie. All I could do was stare at my computer and start crying. Knowing that the night before I had talked to her, she told me she was always there for me and Love you girly! That was the last thing that Casie had said to me. She was my best friend, she was always there for good and bad times. Everyday I will miss her so much. Love you Forever Casie Gibbs.

“ Clark, Cathy, & family,
We at EFC in Geneva just wanted to say how sorry we are on the loss of Casie. We got the privilage to have this energetic woman in our Jr. High Youth group. She was joy to have. We are lifting you all up in prayer. The most I remember about Casie from Youth group is how she was a sponge for Jesus, she just wanted to know so much about our heavenly father, always had deep questions for us leaders. She was never afraid to ask questions and answer questions cause she just wanted to know more! and now it all comes together for her! RIP Casie.

“ I was so sad to hear of Casie's passing. I remember what a sweet young girl Casie was when she and her father would come into the Chinese Resturant all the time. Very well behaved and polite. Throughout the years I would think often about that sweet little girl. She turned into a very beautiful and loving young woman any parent would be proud of. My heart breaks for your loss. I know she is with her Heavenly Father and looking down on you.

“ *Clark,*
My heart is broken for your great loss. Casie was a special girl. I was always touched by her outward and vocal love for Jesus. When she and Taylor hung out together I knew that Taylor had a good Christian friend in Casie. It was a joy to have her along with us when we went to Aquire the Fire last year. Jesus-wrap your arms around this family as they mourn the loss of Casie. Give them a glimpse of how much you love them. We know beyond a doubt that Casie is now with you-let that truth help them as they move forward without her but with the knowledge that she is OK and the day is approaching when they will all be together again....Amen.
