“ Karla, Your mom was very special. She always had a smile on her face and a positive thing to say. She was a kind and warm person. She always supported you as you so graciously watched our children during their young years. When they were grown she always asked about them and was concerned about their well being. She was always a giving person and loved all those who came in her path. She will be deeply missed.
So sorry for your loss.

“ *Karla, Your Mom was one kind sweet lady! Always smiling and saying nice things to others. She shared many stories with me, although I must say the visits about Ruby were some of my favorites. She was always ready to go home because it was nap time with Ruby. I will miss her kindness. May the Lord be with you...*
Love,
Wendi

“ *Karla, Bruce and family
My sincere condolences. Cheryl "Momma Cheryl" was always so kind and welcoming to me growing up. I'll always remember our Days of our lives weekly watching marathons or the scary movie marathons at the house and the endless bowls of popcorn she would have for us. May you find peace in knowing she sits in Heaven waiting for you. Hugs my friend.*

“ Karla, I am so sorry for your loss. I hadn't talked to Cheryl for some time and was surprised to hear of her passing. When we were kids every time my Dad took vacation time we would visit Grandma & Grandpa Bollig and the relatives in western KS. At your grandparents' home in Plainville, Bev, Cheryl and I would "sleep" on the front room floor. I will have a Mass read for the repose of her soul.

“ We actually grew up together. Spent so much time at Grandma's. Shared many life experiences together births, weddings and grieving. We talked on the phone everyday. One of the last conversations we had she not only told me she loved me, but was glad that I was in her life. Not only my sister-cousin ,but best friend. I will always be grateful for her and will have so many memories . Love you always Annie , She She

“ Karla & family,
,I'm very sorry for your loss. I enjoyed spending time with her and I loved how she embraced life and activities at Legacy Square. LeRoy enjoyed staying with her during exercises. She always managed to save some of her sausage or bacon for him and she always lit up when he visited her. Your mom had a beautiful heart and spirit and she will be sorely missed. May you feel God's comforting arms around you during this difficult time.
