“ I had the privilege of knowing Colleen toward the end of her career at Perkins. She was a hard-working, dedicated and most importantly a compassionate nurse. A nurse who was also influential to so many. After Colleen's retirement, I was always excited when I ran into her at Russ's. So sad to hear of her passing. Prayers to her family for comfort and peace during this time of grief.

“ *Colleen was a member of my 1966 Harvard class. She was the sweetest and kindness person. Never heard her complain about anything. Always remember her as being the quiet person. My sympathy to her husband, children, and family. Rest in peace Colleen.*

“ So very sorry to hear about Colleen. I went to school with Colleen. She was one of the kindest people in our class. I always loved her bubbly laugh. When I still lived in Hastings, I would quite often run into her at Walmart. We always had a nice conversation. Although we grew apart over the years, the class of '66 always remained friends. Whenever we got together, it was like we'd never been apart. You will truly be missed. I'll see you again someday. May your family be comforted knowing you are with our Heavenly Savior.
