“ *Debbie was a special person. She was smart, beautiful, caring, tenacious, and had a great sense of humor; I'm sure that is why Clark and everyone loved her. Even though we didn't talk due to distance for a while, she was still a wonderful friend and I miss you dearly. Our prayers to your family.*

“ *It was a privilege to know Deb. She was a woman of faith and courage in the midst of many of life's storms. The sparkle in her eyes and the laughter you often heard during a visit is something I will remember. She went home to the loving arms of Jesus.*

“ Debbie will be greatly missed by so many people. I'll miss her spunk and her advice. Her door was always open, and she always made time to listen.
