He was stationed in Germany where he served as a finance courier with the 7809th Unit. After serving with the U.S Army, he returned to marry the love of his life, Georgianna Elfring on May 3, 1957. They started a family and had two children when Delane received his Bachelor of Science degree in Biology from Hastings College. Following his graduation, Del worked at Central City High School where he taught Physics

and Biology and coached all sports. In 1961, Del and Georgie moved to Omaha and had two more children. He began working in the pharmaceutical field and continued to do so for over 40 years. They raised one daughter, Susan and three sons, Scott, Steven, and Shawn. Delane and Georgie spent over 62 years together enjoying time with their family and friends.

Del was instrumental in starting the Prairie Lane Sports Association in Omaha and later served on the Park Board and Planning Commission in Aurora and was a member of the American Legion. In 1977, Del and Georgie opened The Cork and Bottle in Aurora.

Delane was a family man, never missing a sporting event of his children and later of his grandchildren. He loved NE football and the Aurora Huskies. He prided himself with having all four of his children compete on a state championship team. In his free time, you could always find Del in the yard mowing or gardening. Delane had an infectious personality...Always the life of the party! He didn't know a stranger and would welcome anyone into his home!

“ *Del always greeted myself and our family with a smile, handshake and a " hey how are you doing". His zest for life was evident and uplifting to all who who surrounded him. Del and Georgia had a big influence on me growing up in Aurora and I will ever be grateful for all the memories & the foundation they provided. Aurora was great place to grow up and Del was a big part of that great community! Smile with me on all the great times, memories & Husky pride.*
