“ I have known Dorothy for about eight years, since my mother (Juleen Reher) moved to Rosewood Court. I enjoyed visiting with Dorothy during the many lunches I ate there, and was thankful for the beautiful flowers that she tended around the facility. I will miss her presence there each week when I visit my mother. My sincere sympathy for your loss. Prayers have been included for your family these past ten days or so.

“ To our dear friends, May your memories bring peace to your hearts. The Hofmann family were good neighbors in their later years to us, when they lived in town. May God carry you through this time of loss.
