“ So sorry to hear about Dorothy. As I live in Wisconsin, I got to visit with her a few times and we went to a Nebr. reunion together about 16 years ago. We drove her Grand Marquis. She was a neat lady and I tried to stay in touch, but the phone number I had was no longer current when I tried to call several years ago. Always wondered what happened to her. We had a smaller Joyce reunion this past summer and her name came up in conversation, but no one knew anything about her. God bless all of you, her family.
