“ We were so saddened to hear of this. He was privileged to live a very long full life and left a lot of memories for so many dear to him. We and our children will forever be amazed at this man and his stories, card playing and personality. What a blessing it is to be part of the Ulmer family and you will be very missed on earth. Wonder if there are card games going on in heaven? Much love and prayers to the families.

“ I know my mom will miss you very much. Her heart is very sad today as she reflects back on all of the memories of being your sister and the wonderful times throughout the years. However, I know she is especially thankful about being with you last year at the reunion. She will miss you dearly.

“ *Very fond memories of Uncle Eddie. What a great sense of humor, and love for family and friends. I loved the times at Eddie and Jo's farm in Sutton when my mom and dad would come back to visit and help out on the farm. Great memories visiting Eddie at his house in Haxton, CO.*

Bev and I will miss him very much but we will continue to celebrate his life, kind heart, and fantastic sense of humor for the rest of our lives. We will keep one of his favorite sayings alive - "It's about that time" and toast a glass of wine to him each time we do it. Denny, Julie, and Carol - our hearts and prayers to go out all of you. Thanks again for last year's reunion as it makes it even more special now.

*Your dad isn't gone, he has only moved - to heaven, and is reunited with Jo and our savior. Love you guys!

“ We will miss you! Thankfully we were able to share the celebration of Uncle Eddie's 100th Birthday. We enjoyed that celebration of the "Fabulous Four". What a perfect event to share with all the Ulmer Family. Now you can play cards with your brothers again. Love You! God bless Dennis, Julie, Carol and families.
