“ *Dutch was a kind and loving man. It was always good to hear his hearty "Hello" when I 'phoned them. He was exceptionally considerate and helpful to his neighbors. A better man in All Ways was never born than "Dutch" Pletner. And he left a family behind him here that is also a shining example for the world. We will all miss him. May he rest in peace.*

“ *Uncle Dutch will be missed. So many fond memories of this almost always jovial Uncle who was a sharp card player all the days I knew him. When we were home periodically, Ann and I would enjoy spending evenings with he and Aunt Betty playing their latest favorite card game and having ice cream and cookies afterwards. Uncle Dutch frequently won.*

“ Jane, may God hold all of you in the palm of His hand and sustain you with His gentle peace. I know that both of your parents are smiling on you with pride as they look down on the love their precious children have shown. In God's hand is the life of all living things and the breath of every human being. "A sunset on earth is a sunrise in heaven." My love and prayers are with you. Sister Mary
