“ *Our thoughts go out to your kids and grandkids and your family. A lot of FUN memories down in your parents pasture behind your pickup and on the tractor tire inter tube on the snow. You were not afraid of ANYTHING!! These are the memories I will hold on to forever. Our families had some good times together. Until we meet again!! RIP*

“ *Happy trails to you, until we meet again.
Happy trails to you, keep smilin' until then.
Who cares about the clouds when we're together?
Just sing a song and bring the sunny weather.
Happy trails to you, 'till we meet again.
Some trails are happy ones,
Others are blue.
It's the way you ride the trail that counts,
Here's a happy one for you.*
