“ *Al, Susan, Anna & Helen,
I was sorry and sad to hear that Jenny had passed away. I
remember her from school days. She was always so sweet and had
a bubbly personality; always had a smile on her face. I think Jenny
and my sister Nadine were classmates. I heard at one time that she
was living in her mother's house but didn't know if she was still
there. Your family are in my thoughts and prayers. Linda*

“ *The family of Jenny, I was so sad to hear that Jenny had passed, I
did not even know she lived in Clay Center, I would have loved to
have seen her. I just remember her when she was little, just such a
sweet girl. I seen her once in Grand Island and she gave me the
biggest and best hug.
