“ There was a time I was helping feed Jo. This day we had spaghetti. Well, I had such a time, I had spaghetti all over the place. I told her that she probably had spaghetti under her clothes. I even told her that there was spaghetti on the wall. Jo, Her roommate, and I were all laughing about that. And I was always asking her to go on a Van Ride with me. Well, she really was used to lying down after lunch, so one day she did go. So, a trip to the lake was very long for her. So, every day after I would ask her if she wanted to go for a van ride with me. Same answer every time "No. And Hell NO!" She was truly funny too. I will miss her dearly. Thinking and praying for the family with many memories to comfort them. Brenda Hoskins
