“ Dear Family,
I had the rare privilege from time to time to bring the Blessed Sacrament to Jack at his home and pray with him. Later on at the Sutton Community home in the hallways in his wheel chair or passing by his room, I'd stop to chat occasionally. He was always so proud of his family, always with an update about the sports and what the Grand-kids were doing, He wanted to know what was going on in town and what your were up to these days. A very wonderful disposition, tougher than nails, he fought the good fight, a good man. His personality and kindness are evident in each of you whom are his legacy. Jack & you are in our family prayers during this difficult time. God Bless,
