“ *Larry was a kind and compassionate guy. He was a part of our SHS '65 class. I don't think he was a part of our KG-12 group as a few of us were, but his passing makes me sad. Although we both attended UNL, I hardly ever saw him as he was on East Campus and me city campus. His children have a great heritage. May all be blessed.*

“ Jackie and Jeff,
So sorry for the loss of your Dad. I was unaware that Larry had moved to Oklahoma City. Your Mom babysat Nick back in the day! That has been years ago as I've been out of Sutton for 20 years (Nick is 43 yrs of age now), and I think your Mom passed away while I was still living in Sutton?
With my deepest sympathy,

Sending prayers to Larry's family. I was a classmate of Larry, and remember him as a quiet gentle person. We were a close student body, and shared many memories throughout our school days. Take comfort in your memories. Linda Walters Silvey
