“ Ellen and family,  
*Larry was such a special individual, so full of compassion for others, so kind and gentle and just a joy to spend time with. I remember the day he put his retirement in and I cried my eyes out knowing I would no longer see him on a regular basis. He has a very special place in my heart and I think of you both often. Our thoughts and prayers are with you and pray that you can spend many days enjoying the special memories you built together. With love Ellen, Karen Worley*

“ *So many wonderful memories with Larry ~ words can't explain how much his presence is missed. He listened more than spoke. His actions showed patience, caring, and thoughtfulness. He lived by a simple philosophy of always doing the right thing and working hard - much like The Golden Rule. He led by example. Thank you for all that and more Larry* 🧡
