“ To Bill and the entire family of Linda,
I was so saddened to hear of Linda's passing. I just spoke with her
after Thanksgiving. Visiting at that time about another classmate
and school friend that had passed away we remembered the many
fun things we did in High School. I am glad I had that time to visit
with her about good memories and laugh at some of the memories
we both had.

*Hold your loved ones close and remember the good memories you
have.*

May your faith help you through the trying days ahead.

God Bless your entire family.
