“*Mary, I miss you so much. You were the sister I never had and I was yours. Thank you for the hug that I needed very much. I will see you someday again and our friendship will still be there. Love you.*

“*19 years ago you believed in me enough to hire me at the law office. Through the years, our relationship changed from a working one. It changed to one of the dearest friendships I have ever know. We saw each other through joyous times and heart break. Together we always held each other up. My boys loved their "Funny Lady Grandma Mary" and I will dearly miss my Mary Mom. As we promised when we last spoke.....someday we will meet again....in a much better place.....but for now you will be that angel sitting on my shoulder.....whispering your advice in my ear....*

*All My Love,  
Therese*

“*Mary was a very special friend and a part of our family. She will be missed. You are at peace now. Mary told me that she is sending hugs to all as she has left us.*
