“ *My deepest condolences go out to you all as you mourn the loss of your Mother and Grandmother. I remember the last time we spoke she had me laughing and reminiscing about our little escapades. She had a way of reliving the joy in the moments she shared with others. I will keep you all in my heart and prayers. I know that she is happy with our Heavenly Father. May God bless you.*

To all of the family, Mike and I send our thoughts and prayers! I had the pleasure of working with Mary Ann for many years at SCH. She was always so very kind, calm, caring, and helpful to me and our team of nurses. What a gal, and I will never forget her! RIP 💕

“ *My deepest sympathies go out to you all. God has put her in a special place where she will be watching over all of you and warming your hearts and memories just when they are needed the most. She will never leave you as she has made your hearts her own and left her love on all of them. I just remember her smiling and welcoming. She always made me feel like she was happy to have me there, the way her face would light up and the smile would spread across her face or in her voice. I loved the poem shared by Lane as it truly captured your wonderful Mother and the lasting joy and teachings she gave you all just by the way she was. You are all in my thoughts and prayers. God Bless.*
