“ Edith, Joe, and grandkids,
You know that I cared very much for Mary Jo and for your dad and grandfather. I was sad to here that she has passed, but I know that she had a deep faith and constant spiritual life that came from her Baptist roots, I believe, and her membership in the Catholic Church from the time of Father Keenan in Lincoln to her reception of Holy Communion from me each week and her membership in St. Joseph's Catholic Church in Harvard. She was good to me and to Pat Veik. When she liked and was grateful for someone, she was very concerned about them and generous with food and time and even artwork. I will always remember fondly out visits, the last one being this year when I saw her at the nursing home. I can't be there on Friday, but I will be remembering her in prayer. God bless, Father Jim
