“ I am deeply sorry for your loss, along with family and friends of Randy. Randy was a great and unique person. He was someone who would go up and beyond to help someone out, even if it meant he didn't get anything in return. He was a very loving, intelligent and passionate man. I may not have known him as long as many of others but I am beyond blessed and honored to have known him as long as I did. You were a great man Randy and you will never be forgotten. Until we meet again my friend.
