“ Loving condolences to the family from Aunt Maggie & family. Once Aunt Dorothy moved back to Nebraska, my cousin, Robert, was never close in distance, but we had a nice relationship via pictures and emails in more recent years. I so admired his good heart and love for his family and I'm sure he will be VERY missed by so many of you Grafton folks. I'm sure the tributes will be heartfelt and stories will be filled with fun times, so if anyone happens to capture it electronically, please pass it on to those of us back west.
