“ I just learned of my father's passing a few weeks ago. Pretty sad to learn of it a year and a half after the fact.

“ I am so sorry and saddened to learn of my brothers passing. I only met David when I was about 12, and knew and loved him briefly. He was so like our father, I hadn't seen him in over 20 years, nor spoke to him since about 1993. I thought of him often and wondered how he was doing but was never able to find him. My condolences to his wife and daughter.
