“ My dearest Hot Rod Rosie,
I have very many fond memories of spending time at your place as
a very young child. She was nicknamed by my older siblings
because of the way she tooled around Deweese dirt roads in her
green and yellow (I think) car.

*My thoughts are with your family at this exact moment as they say
their goodbyes until a future time. Please tell my mom and dad hi for
me and that I love them.*

*To all my cousins and their families, my prayers to you. As you well
know, your mom was remarkable and you definitely pegged it on
"sharing the great sense of humor.*

*Love,
Deb*

“ It is most difficult to "let go" of a parent. It could be expected or a relief to allow the suffering to be over, yet our suffering begins. It is not comprehensible until one experiences the lose. Suddenly, we are orphaned. We become the older generation. The baton has been passed. Lee and I pray for your time of grieving. May you and your family find comfort in your memories and in each other.

“ *I was honored to call Rose " Hot Rod Rosey" my friend. The warmth and hospitality of the Hansen family welcomed me with open arms with my first vist to DeWeese in the late 1990's. If not for her, I would have never been able to experience the famous Keith Hansen Demolition Memorial. That trip and subsequent others left me with so many good times, filled with memories to last a lifetime. She was a true Matriarch to her family and will be greatly missed. All my love to the Hansen family during this difficult time.*

“ *Rose was the BEST! I got to sample her doughnuts at the 4th of July Festival that the Horseshoe Inn had every year! And she was a caretaker for my mom when she had Alzheimers. And I LOVED the used car lot she had on the south side of the Horseshoe Inn the year we all came back on the bus from Deadwood! She will truly be welcomed in heaven. My sympathies to Rose Hansen's family.*
