“ We enjoyed visits and phone calls with Talitha, as she loved her son and worried about him, she also knew he was a big boy now and she would continue to pray for him to be safe. We're proud of, you Stewart for going back home to live with and care for your mom at home this past year, as she wanted to have you help her to stay in her home as long as she could, you made her wishes come true, God bless you for all you did for her!

We have many memories with Talitha as she and Stewart would join us for some special events /meals, helping him move to Sutton, visiting with her at her house and several phone calls. She was a wonderful woman who has become special to us as well.

RIP Talitha, Stewart isn't alone....he will have us checking up on him for you. 🥺🥺🥺🥺

Remember Stewy, we're here for you .

Love you 💕💕.
