“ I grew up with Taylor and Jake We used to hang out all the time. Taylor taught Breleigh and I how to swim in the deep end. Jake never stopped smiling , He made everyone smile so did Taylor. They will always be in my heart! Seeing the at the funeral was bad for me and everyone. I thought that it was just a joke when my dad told me. Tell Lacey (mom) told me that it was true. I broke down in tears. Taylor and Jake were still young they deserved to live longer. They were always there for people they never were mean to people. I remeber Taylor talk one of my friends out of killing herself . I will miss her and Jake everyday. Always wear seat belts Please I can't lose anyone important to me again!!!!!!!!!!

“ It's hard to find the words to express our family's shock, disbelief, and sadness upon learning of the loss of these 2 super kids. We watched Jake and Taylor grow up with our son Nick in the Clay Center community; and were always impressed by their strong character and charm. We just want your family to know that our hearts have been hurting badly since the tragic accident and will continue to for a very long time. We join the Clay Center and Sandy Creek community in our upmost support for you in the trying days ahead.
