“Teresa, was a kind soul. Always taking a mom role with anyone that needed her. She was a good friend to many. Her pride and joy was always her faith and family. She was always boasting about her kids and grand kids, how she loved them so very much. She always talked about how proud they made her always. This woman was hard working and always driven to be all she could be for her kids. Always available for her grandkids She was a wonderful mother and the best grandma. One of the hardest lessons in life is letting go. Whether its guilt, anger, love or loss. Change is never easy and it is really hard to accept the loss of a loved one. We ask God to wrap her family into his loving arms, may his love and the peace of our Lord Jesus, bless and console her kids and grand kids^[SEP]and gently wipe every tear from their eyes. Doña Teresa Ayala will be missed beyond words, but her legacy will live on forever through her children and grand children. ^[SEP]Rest In Peace Doña Tere. We ❤️ you!

“It is hard to comprehend Tere passing, i just spoke to her two weeks ago! She was upbeat and happy. She would always tell me about what you boys (now men) were up to, new accomplishments, school, etc.. She was so proud of each of you, and that showed whenever she spoke about you. Mucha simpatía de mi corazón para ti. Tere, you will be missed my friend!

“ To Ben, Ignacio, Adrian and all of your family, my heart and the heart of the Sutton Wrestling Family hurt for you during this most difficult time. I know that your mother was very proud of each of you and your many accomplishments. May you continue to cherish your memories of your mother, as it was easy to tell she cherished you all. Continue to make her proud. With love from the Sutton Wrestling Family and Coach Gerber.

PS

To the family, I so loved her. I worked with her at Metal Tech and she was such a great wonderful person. I had just went to the eye Dr on sutton. And I had asked about Teresa, that was last Thursday. I cannot believe it. She is in heaven. The two of us shared treats all the time and her son would come by on our breaks. May God bless all of you. Peggy from Bruniing. Love you Theresa Mom

“ I may not have known your precious mother well, but she was loving and kind. May God wrap his loving arms around you and comfort you while you go through this sacred time together as a family. Ignacio, I always enjoyed your visits to our house and am so glad you and Cameron were friends during high school. I remember your mom would make Cam tres leches and he'd share one with me if I was lucky.
I'm sending you all so much loving! Abbi Kleinschmidt
