“ We are so sad to learn of the loss of Teri. We had hoped to meet her, having shared family information on the Hicks family with her. She was so generous in helping us with our own genealogical search.

We are praying for strength and peace for her family members who are left behind to mourn.

“ My heart goes out to the families of Teri. We were classmates and played volleyball together in high school and went through confirmation together through the Federated Church. She always held the team volleyball record of most ace serves year after year. She didn't put the spotlight on herself. My husband coached one of her sons in baseball. My God wrap His lovin' arms around you all.
