“ Teef made growing up in Grafton better for us kids with the game room and all the cool stuff he always had in the gas station, later the car wash became pretty important to a lot of us also. Teef was a very interesting person, from the gas station, the cement ornaments, his rose garden at Junes house, always busy doing something. Teef was a fixture in Grafton for a lot of us.

“ Teef, My best memories are when I worked with painting cement lawn ornaments. We had a lot of good times and creative ideas. There wasn't anything your mom and I couldn't paint. Such a genuine hard working guy. You will be missed. Rest now. I will never forget you.
