“ My dear friend T bar,  
I just heard the news of your passing on 6-10-17 and my heart is broken. Just knowing you're gone. I wish I would have known been there to support you through the chemo or supporting my good friend. Maybe now as you free to roam where you want. Oregon how you loved to move there. I always wish much peace you have now and thank you for being my friend for many years. I feel blessed by being yours. I'll miss your incredible and wonderful laugh as well your lovely smile. "You too, are like a diamond in the rough!" There will be always a special place in my heart for you.
